

## Opening *Doors* by Meeting People's Needs

---

### PRAYER POINTS

Thank you for praying for the needs of Africa. We look forward to sharing how God is answering your prayers!

1. Praise God for helping the Marais with Bible distribution this year. Pray that God will clearly speak to individuals through each Bible that was sold.
2. Join the van der Merwes (HIM missionaries in South Africa) in praising the Lord for an unusually good harvest on their family farm this year. They depend on this to live and to support their ministry.
3. The Motovilov family is back in America for furlough. Please pray for them as they travel representing the ministry they are doing with children in Africa.
4. Pray for the staff of the Matukeng Health Centre. Some of them do not have a personal relationship with Jesus but have been showing a real interest recently. Please pray their hearts will be tender to the Holy Spirit
5. Eighty percent of the Matuking Health Centre's operating budget is provided through the government of Lesotho. After recent elections a new administration has been formed in Lesotho. The party that now holds power has not been as favorable towards church-owned institutions. Pray that God will work out all the details of future funding.
6. Pray the Holy Spirit will help the sick people who come to the clinic to realize they also have spiritual needs that can only be met through Jesus.
7. Pray for the orphans of Lesotho. Many of them live in crushing poverty. Pray that both their physical *and* spiritual needs will be met.
