June 24, 2021

Dear Friends,

- **Tokyo20+1** is alive and very well! A month ago almost half of the 400k books had been sent out to churches requesting them to hand out during the Olympic Torch Relay. Even with a more suppressed Olympics, I expect they will run out before the Games are finished.

✓ *In Jordan* we are publishing 60k *Tokyo* books in Arabic.

✓ The *Brazilian Bible Society* is pushing forward with their digital *Tokyo* book project wherever Portuguese is spoken around the world.

So the Lord is “jump-starting” the Olympic outreach around the world. It’s a beautiful thing to see the Lord working!

- **The Biker Project:** The book *Chains* has been printed for the *Sturgis Motorcycle Rally*, August 6-15. *God supplies every need!*

✓ With God’s help the books will be there at least the day before the rally begins.

✓ We have adequate accommodations to sleep 20 people!

✓ A garage is secured where we can safely store the books until they are handed out.

✓ A forklift can be available to unload the semi!

God is always good news!

- **Board Books:** We have received advance copies of the five children’s board books being printed in China. They are so beautiful and are scheduled for release the first part of August!

- **101 Stories of the Bible:** Last month the first four languages were launched in Namibia! Three other languages are coming soon. We are excited about this long-awaited event!

- **Unchanging Truths,** the Creed Book that Dr. McElwain has written for us, is scheduled for delivery next week. The book is beautiful and powerful!

God is always good news!!

Thank you for your prayers and support! Your continued prayers are essential!

Blessings on you,

Joe & Gay Taylor
