

Showing Christ's Love By Meeting Needs

1. What makes Hungary a strategic location for ministry within Eastern Europe?

2. What is one of the most effective ways to begin the process of making disciples?

3. List what you think are some pros and cons to the hospital ministries in Europe:

4. What is the role of your church in the world? Does it exist only to nurture its own congregation, or is there a greater purpose?

5. Do you agree with the statement that “everybody wants to be transformed?” _____
In what ways are people all around you demonstrating they want transformation?

6. As Christians, where do we believe our inner transformation begins?

7. The average Hungarian does not associate the church or Christianity with meeting their needs in a transformative way. Do you believe the people around your church view it as a place of positive transformation? If so, what causes this? _____

If not, what can you do to change this? _____
8. Is it true that people will not come to your church until you go to where they are and help them take a step of transformation with Jesus Christ? _____ Why or why not?

9. When should your church link arms with other organizations to help meet people’s needs?

10. How is your church actively meeting the needs of the unsaved around you? Can you list two or three ways in which you could improve? _____
