

## *A Week* in the Life of Sally

---

1. Describe what comes to your mind when you think of a typical week in a missionary's life:

---

---

---

2. What is your reaction to Sally's Sebo's weekly ministry activities?

---

---

3. What aspect of Sally's ministry most surprises you?

---

---

4. Knowing what you do about Sally's ministry, are there any changes you could make in how you pray for her and other missionaries?

---

---

5. Much of what Sally does is just ordinary Christian living. What makes her unique is that she is ministering in Romania as opposed to the United States. Can you think of ways that you could more effectively reach out to needy individuals around you?

---

---

---

6. One of the ways you can support HIM's work with orphans is to initiate meaningful communication with them. Would you be willing to write a letter or email to one of the children from the House of Hope? Take some time to look over the stories of the House of Hope Kids and ask God to impress one of them on your heart. We would love to see each child have someone from your church write to them. It means a lot for them to know there are people around the world who are praying and caring for them.

With God's help I want to be an encouragement to: \_\_\_\_\_

Check with your service leader to find out how to best communicate with an orphan. Sally Sebo's email address is [sebo@feaministries.org](mailto:sebo@feaministries.org). If you choose to correspond with an orphan, they would love to have a recent picture of you.
