

Now What? Looking to the Future

1. Hungary is strategically located in the center of Eastern Europe. Austria, Croatia, Romania, Serbia, Slovakia, Slovenia and Ukraine all border Hungary, making it an ideal country in which to be based. What vision has God given Ed and Heather Durham for Europe?

2. What is significant about Albania that makes it such an important target for expansion?

3. As God helps HIM expand into countries such as Czech Republic, name some challenges facing future missionaries:

4. Europe has lost the gospel message and become very dark spiritually. As Ed Durham stated, "Most people that we meet on the street know about God, but they don't know anything about how to find a personal relationship with Christ." How is this similar to the spiritual condition of those around you?

5. One of the great needs in Europe is for individuals to pioneer a new mission work. What unique challenges do you think pioneer missionaries might face?

6. God needs individuals who are willing to wake up in the morning and say, "God, what do you want me to do today? Who do you want me to impact for You?" How can you personally apply the challenge from Ed Durham about allowing your life to impact the individuals in your world for Christ?

7. Think back over the last few months as you have participated in the Engage Europe series. In what ways have you been most challenged? How can you allow God to use you more fully to make a difference in Eastern Europe?
