### PRAYER POINTS

Thank you for praying for the needs of Eastern Europe and Russia. We are excited to share how God is answering your prayers!

1. Praise! God has touched people's hearts and helped them give the necessary money to help the Durhams reach the matching grant goal of \$10,000. They are looking forward to making many improvements on the New Horizons Center.
2. Praise! Natasha just received a very important document that was needed so she can live in Slovakia and manage the transition home. We are now at the place where we can begin taking in needy girls.
3. Praise! God met nearly all the Durhams funding goals while they traveled here in the US. They were raising funds for three different areas of need.
4. Praise! God is calling! Several people have expressed interest in working in Eastern Europe! Please pray that God will continue to direct and make His will clear to these individuals.
5. Pray for God to give guidance as HIM explores new ministry opportunities in Germany, Bosnia, Slovakia and Albania.
6. Pray for God's guidance as work begins to finish a part of the New Horizons Center which will quadruple the capacity of the home for the future. God's direction is needed as the plans are drawn up.
7. Pray for the girls who will be coming to the transition center. Pray they will have open hearts to God and to training.
