

## *God* is Building His Church!

---

1. In the early years of HIM's ministry in Taiwan, there were no holiness churches established in the country. What ministry opportunities did God give the first HIM missionaries to Taiwan?

2. Even though there were various ways the missionaries were able to share Christ, what did they soon feel led to develop?

3. In scripture, we are commanded as Christians to not forsake the assembling of ourselves together with other like-minded believers. Why is this important?  
\_\_\_\_\_
4. If you were responsible to plant a church in a new area, how would you go about beginning this work?

5. Once a church is established, how important is it to continue reaching out to the unsaved communities in which it is located?  
\_\_\_\_\_
6. God is continuing to use Bible studies, opportunities to teach English, and various other methods to both strengthen the existing churches in Taiwan as well as begin new churches. Is your church actively reaching out in creative ways to present the gospel to the lost around it? Can you think of ways to improve this outreach?

7. We all go through stages in life where it is difficult to do as many things as we would like to do. However, we can all be a part of growing God's kingdom through prayer and then through actions. What are you personally doing to help build your church's outreach?  
\_\_\_\_\_
8. It is important for churches to have an outward evangelistic focus. By making sure proper nurture and discipleship occurs within the local church, this ministry mindedness will grow. How is this being demonstrated in the Chungli church youth group? \_\_\_\_\_
9. Our desire at HIM is to continue planting new churches and discipling new believers across the Asian world. Can you think of specific ways you can pray for and support our missionaries as they work to accomplish this mission?
