Aleya Johnson, 13 years old,
said her scripture memory
verse! Good job, Aleya. Keep
up the good work!!

Our little missionary friend,
Miss Ella Gressman, is doing
well. She recently prayed for
rain, and God answered her
prayer. When it rained she
was so excited to play in it!
Right now, she is working on
learning Psalm 23 in Spanish.

SCRIPTURE MEMORY:

*The fear of the Lord is
the beginning of wisdom:
and the knowledge of the
holy is understanding.*

All you need to play this fun game is two dozen small beans and a close friend!

1. Place a dozen beans in front of you and your friend.
2. Cup your hands and place your first two fingers against each other to represent the beak of a chicken.
3. Pick up each bean with your finger "beak" and carefully drop it into your cupped hands, which represents the chicken's "stomach." Race against your friend.

LET'S LEARN ABOUT A GREAT MISSIONARY TO ASIA!

HUDSON TAYLOR (1832-1905)

Hudson Taylor spent more than 50 years in China as a missionary and is known for his respect for the Chinese culture. He was widely criticized in his home country of England for dressing like a Chinese in his efforts to blend in while sharing the gospel. This practice made him much more accepted by the people when he preached.

Hudson Taylor was trained as a physician. He worked as a doctor, evangelist, and translator while in China. He continued his translation work when he returned to England for medical reasons.

He personally influenced hundreds of people to be missionaries in his lifetime. Many missionaries today attribute their introduction to the need for missions from reading biographies about Hudson Taylor.

It's Hua here—or better known to you as Lily!

The last time we talked Luke told you all about our idea to hand out cookies and summer camp invitations to the kids in our community. Well, it was quite an adventure! The first house we went to had a huge pit bull that came to the front door when we knocked. He was barking so loudly Emma and I had to run all the way back to the sidewalk. We were so scared. The boys calmly talked to the father who had opened the door. He was kind of scary too! Thankfully, we had more success at the next house. This sweet family opened the door and acted really interested in letting their kids attend summer camp. Another family even let us pray with them before we left their house. By the end of the day, we had handed out 30 bags of cookies and contacted about 45 kids. Afterwards, we ate some cookies ourselves and prayed, “Dear God, thank you for giving Luke, Alex, Emma, and me the opportunity to go into our community and hand out cookies and invitations to summer camp.

Please do Your work now that the seeds have been planted. Please help at our summer camp and make it the best year yet! In your name, Amen.”

Stay tuned until next time to see how the first day of summer camp goes!
