

Evangelizing through *Education!*

1. Sometimes God likes to surprise His children. How were David and Christina Black surprised on one of their early visits to China? _____

2. Christian education is extremely new in China. What are some ways you can pray specifically for these schools and teachers? _____

3. In restricted countries such as China people often find it extremely difficult to live out their faith without suffering consequences from the government. What is one way Christian parents help their children receive a biblical education without getting caught? _____

4. Imagine if you lived in a country like China. How would you respond to government restrictions when it comes to living out your faith? _____

5. Do you ever take for granted the spiritual freedoms you have in America? _____ If so, what can you do to change? _____

6. In what way has Christina Black been able to effectively help some secret Christian schools in China? _____

7. It has been said, "God doesn't call the equipped. He equips the called." Throughout her life, how did God specifically equip Christina to help the Chinese teachers? _____

8. Is there something you believe God wants you to do for which you do not feel qualified? Do you believe God will enable you to accomplish this task? Write about it. _____

9. From your perspective, how has the English Circle been an effective way to share the gospel? _____
