PRAYER POINTS

Thank you for praying for the needs of Asia. We look forward to sharing how God is answering your prayers!

1. Praise God for a dedicated team of missionaries and national workers in Asia. We are grateful for His help in opening many new places of ministry in Asia this year.
2. Praise God for progress made on the translation of training materials into Chinese. We are grateful for each chapter that has been finished this year! Pray for continued progress on the specific translation goals that have been set.
3. Praise God for each time HIM's missionaries have been able to enter and leave China safely this year.
4. Pray for David and Christina Black as they direct HIM Asia. They are traveling in the United States this winter to represent the work and hold deputation services from PA to FL. They will conclude their visit with Sea Breeze Camp.
5. Pray for the ministries of Jed and Steven, two national leaders, who are helping the Blacks begin a new work in the city of Nanzi, Taiwan. Also pray for the nationals who are continuing to meet with each Bible and English outreach class in the Black's absence.
6. Pray for the missionaries working in China and Taiwan—especially for HIM Asia's newest missionary, Nicole Barr, as she prepares to go to Mongolia. She is currently raising her prayer and financial support.
7. Pray that God would continue to call laborers to Asia. We need a young couple or a young person who is willing to be mentored to teach bible study groups in Taiwan. We also need a teacher in China.
