# MEET OUR FRIEND FROM TAIWAN

Daniel Lu, a student at Hobe Sound Bible College, is from Taiwan. Daniel grew up attending the English Camps provided by the missionaries

in Taiwan.

He learned about Jesus and heard

stories from the Bible while practicing his English. He is now in the music department and majoring in violin. Here is a picture of Daniel in front of the Washington Monument.

# PRAYER CHAIN

Have you ever made a paper chain? Well, today we are going to help you make one and give you a fantastic idea of how to use it! This paper chain will have 30 different links—each link representing a day of the month for you to pray for a missionary!

## Materials:

- Scissors
- Construction Paper
- Tape/glue

## Directions:

1. Cut your construction paper into 1 inch wide strips
2. Use each strip to form a loop and tape it together
3. Take another strip and loop it inside the last loop
4. Continue this until you get 30 links
5. Hang it up in your room and pray everyday!

Hey guys, it's Lily here. I want to share with you a special story about an opportunity Emma and I had while we were at camp retreat. A little girl about our age went to the altar one night and kneeled down, but didn't seem to know what to do. Emma and I decided to see if she needed us to pray with her since she seemed earnest about wanting to pray. She quietly said, "I want to know who Jesus is." So Emma and I quickly laid our hands on her and I said, "Oh you most certainly can! Just pray this prayer with us: Dear Jesus, You see sweet Gracie here and her desire to serve You. Help her find her way to You. Forgive her sins, wipe away her sorrows, and come into her heart. Amen." Gracie immediately began praying out loud, "Dear Jesus, I am so sorry for my sins. Forgive me. Come into my heart. Amen." A big smile lit up her face, and she hugged both Emma and me tightly. I am so thankful I was able to help witness to Gracie and experience the wonderful grace of God. He's a good God. This week at camp retreat has been so successful! I want everyone to know that they fit into the kingdom of God no matter what their circumstances are.

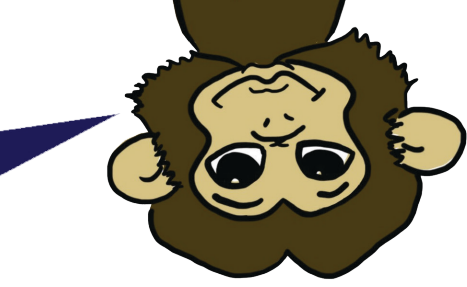

Draw and color a picture in the rectangle on the opposite page, then cut out the pieces and try to put them back together again. Just like a puzzle piece, each of us plays an important role in God's Kingdom. If only one piece is missing, we do not have a complete picture. Have fun!

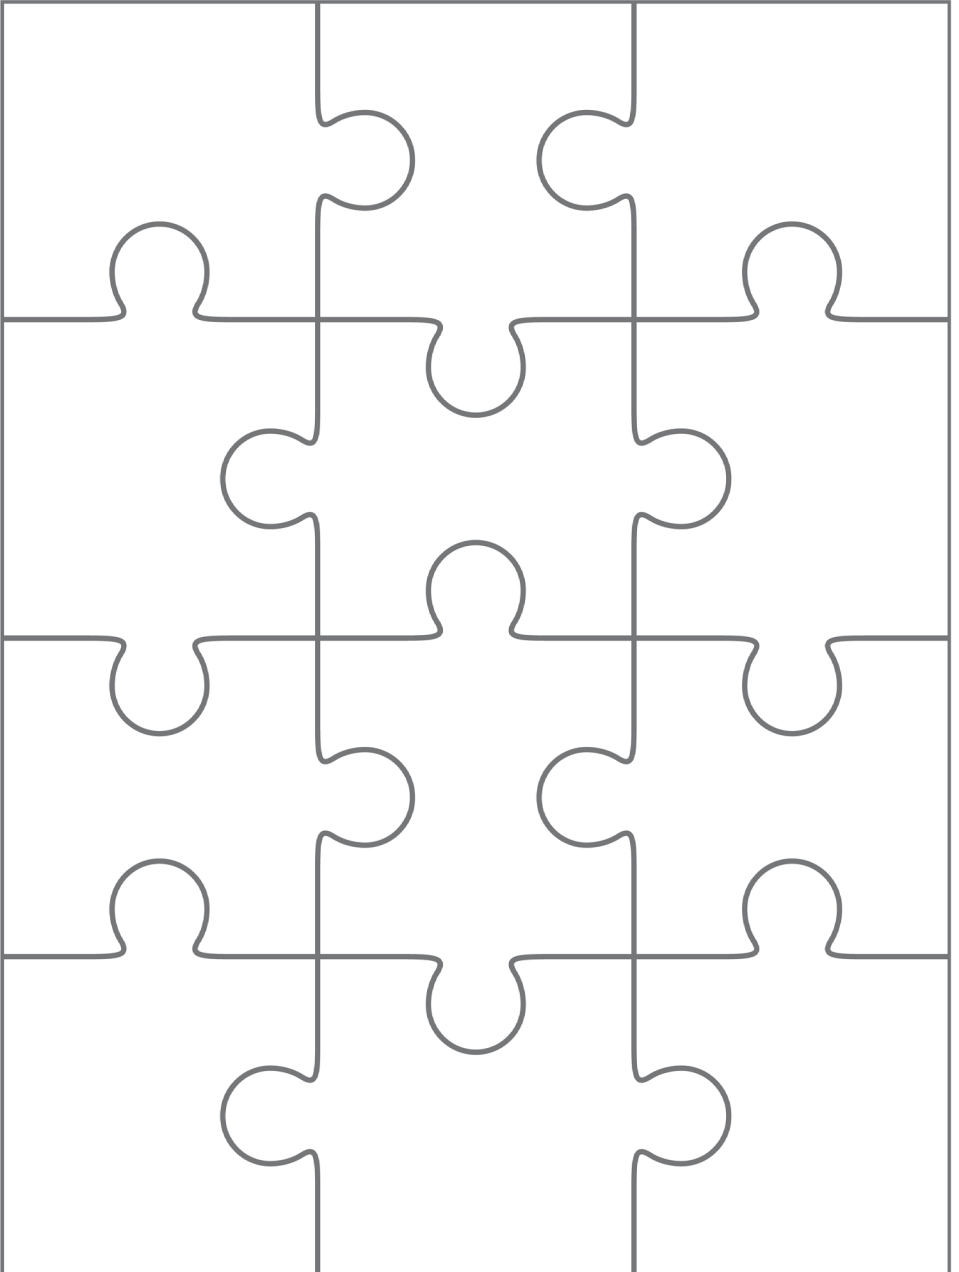

# GAME TIME

Let's practice working together by playing a fun game! Grab a big group of kids and play **SARDINES**. Here is how to play: Sardines is played like hide and go seek — only in reverse! One person hides, and everyone else searches for the hidden person. Whenever someone finds the hidden person, they quietly join them in their hiding spot. Soon, the hidden group starts to look like a bunch of **SARDINES**!

OWN PUZZLE!**

## DEVELOPER ACTIVITY:

Some kids struggle to make friends, feel shy around new people, or are insecure about who they are or the way they look. They often feel like they don't fit in anywhere! God notices these people and cares about them. He wants every boy and girl to know that they fit into His really big kingdom! This week, look for someone at school who is shy or does not have any friends. Sit with them at lunch and show them the love of Jesus. Let us know if you make a new friend. Email your story to [engagekids@feaministries.org](mailto:engagekids@feaministries.org).
