## SCRIPTURE MEMORY:

"You are the salt of the earth. But what good is salt if it has lost its flavor? Can you make it salty again? It will be thrown out and trampled underfoot as worthless."

– MATTHEW 5:13

# WHAT DOES IT MEAN TO BE SALT OF THE EARTH?

**S** **SPEAK OUT.** Everyday you are interacting with people around you. Are you speaking to them about Jesus and what He has done in your life?

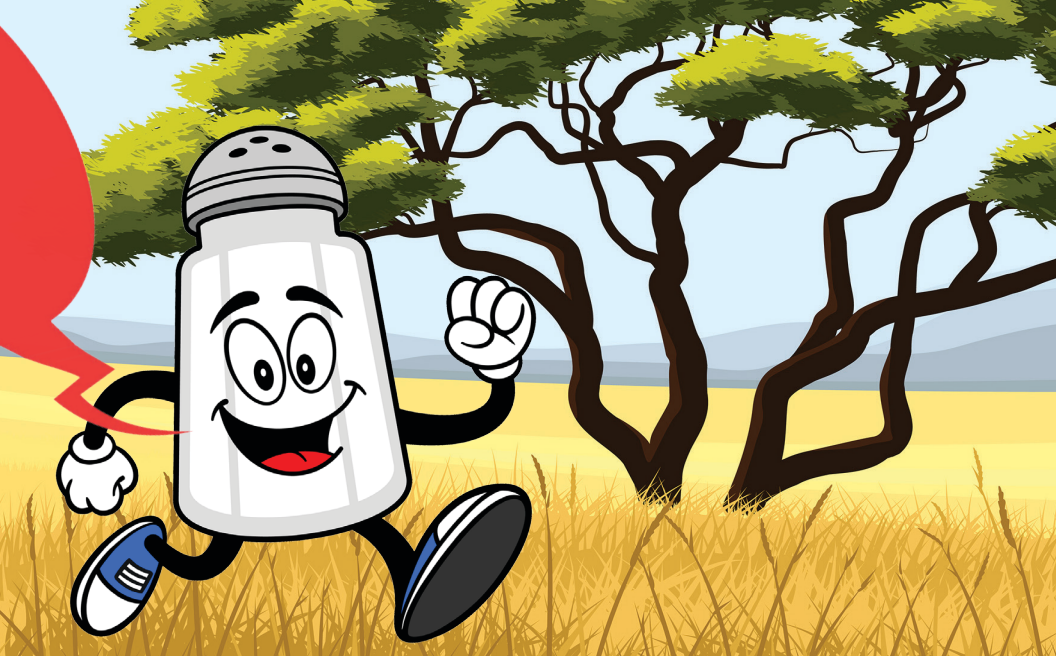

**A** **ACT OUT.** Jesus calls us to be His hands and feet. Are you doing good deeds for others and helping where you see a need?

**L** **LOVE OTHERS.** The greatest commandment in the Bible is to love God; the second is to love others more than we love ourselves. How are you showing love?

**T** **TEACH OTHERS.** You don't have to be in a classroom to teach! You can lead by example. Be like Jesus, and by doing so you will teach others how to be like Him as well.

C'mon! Let's go learn about those who are salt in Africa...

## MISSIONARIES WE'VE MET

You have already learned about two missionary families serving in Africa. Here is another brand-new missionary family!

THE  
MOTOVILOVS

THE  
GAULTS

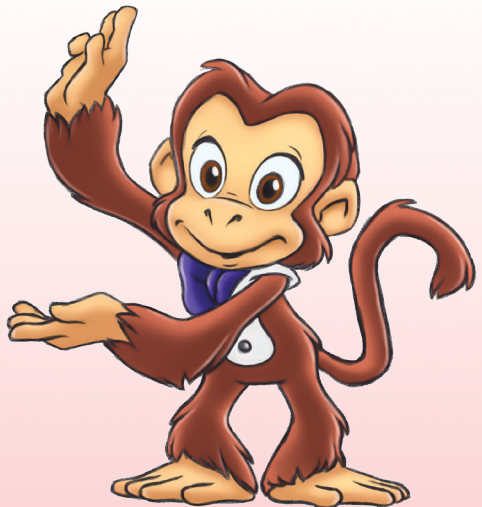

**Say hello to THE PETERSONS! Wes and Misty Peterson, along with their children, are the newest missionaries to Africa. Wes and Misty have six kids, and they're originally from Kansas! However, God has called them to go be "salt of the earth" to the people of Lesotho, Africa.**

**While this is very exciting, it can also be challenging! This family has decided to leave everything and everyone they know in America to go to a foreign land with a different language and culture. Can you imagine what it would be like if your parents told you that your family was going to live in a whole new country? The Petersons are very excited about their call. They will be wonderful missionaries, but they need your help. Will you pray for God to be with them and help them fulfill His will in Lesotho?**

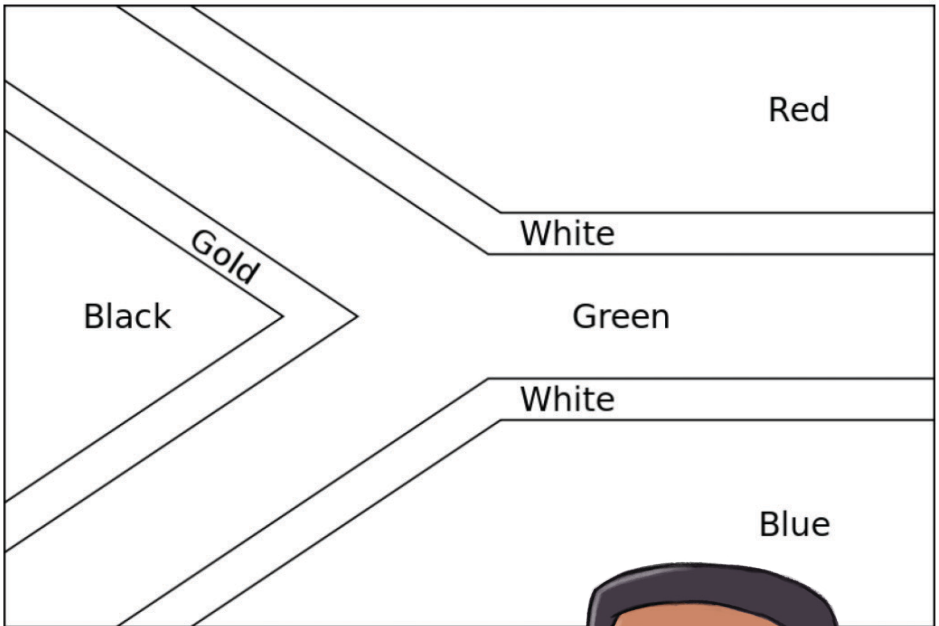

# LOUIE'S MEET AND GREET!

Hope International Missions has a yearly mission convention in Hobe Sound, Florida. Guess who made a surprise appearance this year? It was Louie the monkey! He got to meet some new friends which made his visit even more special. Take a look and see!

# COLORING ACTIVITY

The South African Flag is full of color. Let's see how your South African Flag turns out when you color it!

Being a missionary is not always an easy job! Jesus blesses those who make sacrifices to spread the gospel. You can encourage our missionaries in Africa by writing a card and letting them know you're praying for them! Find a piece of paper and write a quick note to one of the three missionary families you have met (the Motovilovs, the Gaults, or the Petersons). You can even decorate or draw pictures on the cards if you wish! Then ask an adult to help you address your card to PO Box 1065, Hobe Sound, FL 33455, and we will be sure the cards are sent to the missionaries in Africa!
