# MEMORY VERSE

**Then He said to His disciples, “The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field.”**

MATTHEW 9:37-38

## BIG World

Louie the Monkey was wandering around the library when he saw something that made his eyes light up! It was a globe—a miniature version of the whole world! The librarian saw Louie studying the globe. She walked over to him and said, “Louie, did you know there are over seven BILLION people who live on earth?”

Louie was amazed! That’s a huge number! “And,” said the librarian, “more than five billion of those people don’t know Jesus!” This news made Louie terribly sad! So many do not know Jesus died for their sins and has made a home for them in heaven.

Louie wonders who will go share the gospel with them?

MISSIONARIES

*These graphs and figures are rough estimates, oversimplified for use with children.*

There are only about 140,000 missionaries sharing the gospel. That means each missionary has to reach 35,714 unsaved people for Christ before the whole world will know Jesus.

Do these facts make you sad like Louie? You can make a difference now! Think of ways to help missionaries like praying for them and sending them words of encouragement. Also ask God to help YOU tell others about Jesus. Who knows? Maybe you will be a missionary someday!

# BIG Vision

In 2008, Joe Taylor was in China for a book fair. He saw lots of busy activity as people got ready for the Olympic Games being held there that year. These huge events always attract millions of fans. God showed Joe these games were wonderful opportunities to tell many people the good news about Jesus. Since then, Gospel Publishing Mission has made special books and passed them out at four major sporting events. Each time people are excited to read the books, which are not only attractive and interesting but also share the plan of salvation.

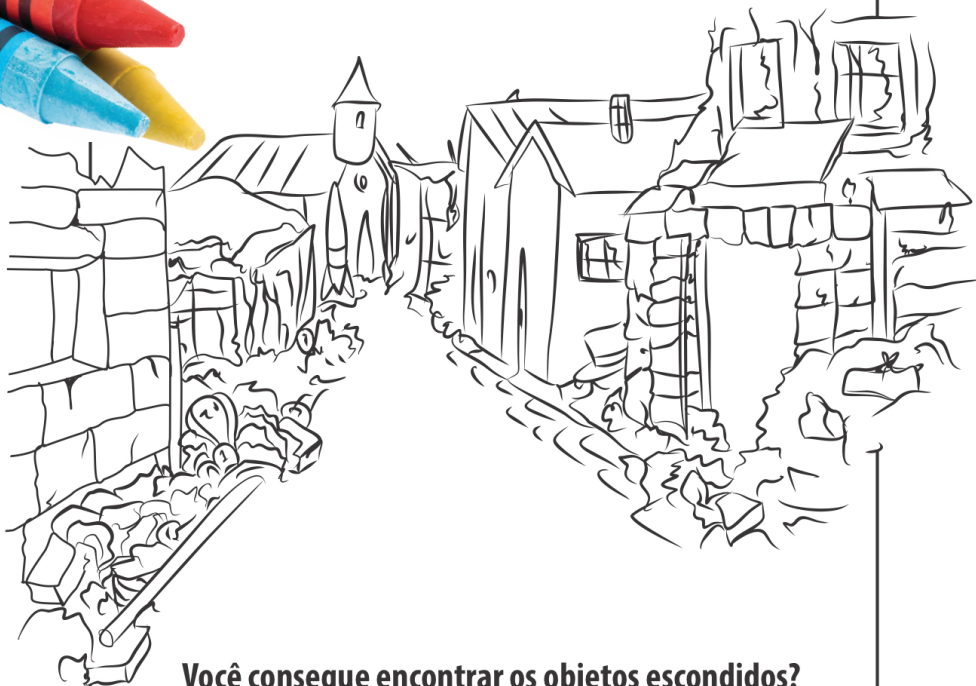

# BIG Results

Several years ago at the Olympics in Brazil, an extra special book was passed out. Joe wanted to give kids just like you a chance to learn about Jesus too! A team of artists worked hard to draw pictures, develop games, and present the gospel throughout the book. There were even pages with stickers! The book was a huge success! It was so exciting to see kids' faces light up with joy as they got their very own books which told them Jesus loves them.

One of the world's most well-known Olympic athletes was a Christian name Eric Liddell. He was an extremely fast runner who set a world record in 1924. A short time later, Eric went to China...

A aldeia onde Eric morava com a esposa e duas filhas não era segura. Havia bombardeios quase todos os dias.

**Can you find the hidden objects?**

The village where Eric lived with his wife and two daughters was not safe. There were bombings almost every day.

...as a missionary where he gave his life sharing the gospel. Eric's story was told in the children's book passed out in Brazil. Here are some sample activities from that book for you to enjoy!

Sempre um verdadeiro campeão, Eric mostrou bravura, amor e bondade para com aqueles que ele conheceu na China.

Always a true champion, Eric showed bravery, love and kindness to those he met in China.

If you do not have a Louie the Monkey sticker, contact us at [engagekids@feaministries.org](mailto:engagekids@feaministries.org), and we will send one to you.
