

# Loving the Lost TO CHRIST

# बल्लुब

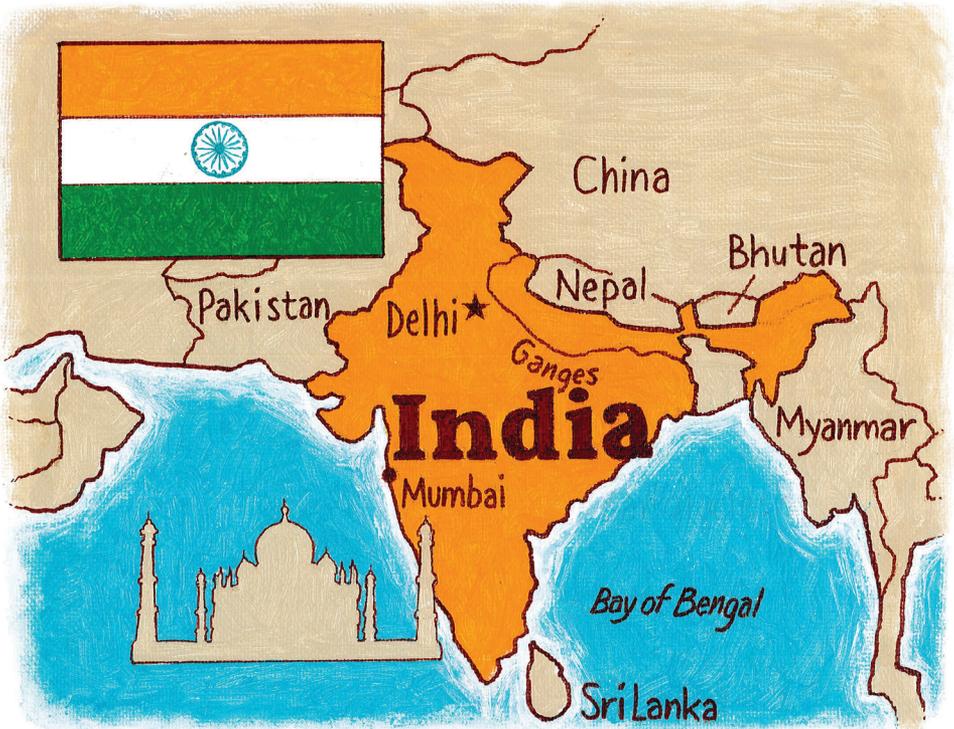

## भगवान प्यार है

Can you imagine moving away to a foreign country, living among strangers, and sharing the gospel in dangerous places all by yourself? This is exactly what Amy Carmichael did for 55 years in the country of India. She worked mostly with young slave girls who lived under the rule of Hindu temple leaders. These young women were severely abused and mistreated, but Amy sought to provide them with safety, love, and the Word of God.

# Loved us

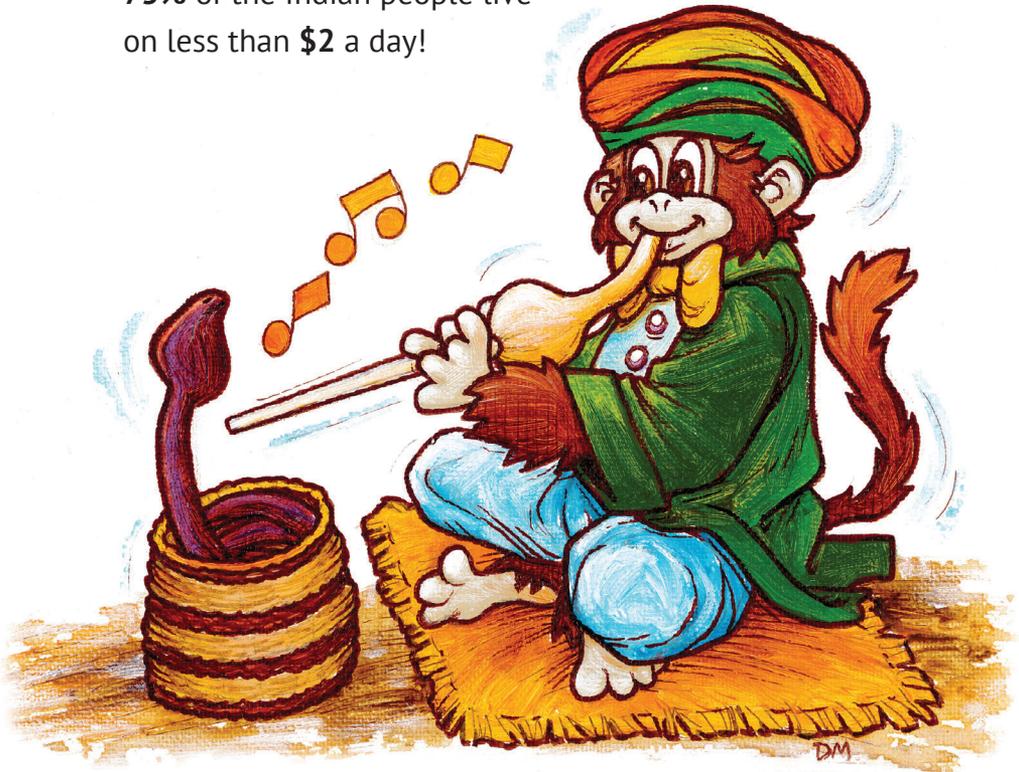

Many of the young women with whom Amy worked called her “Amma”, which means mother. When asked why they were so drawn to her, the girls said, “Amma loved us.” The love of God was the best gift that Amy gave, and through that love, God was able to save many Indian women!

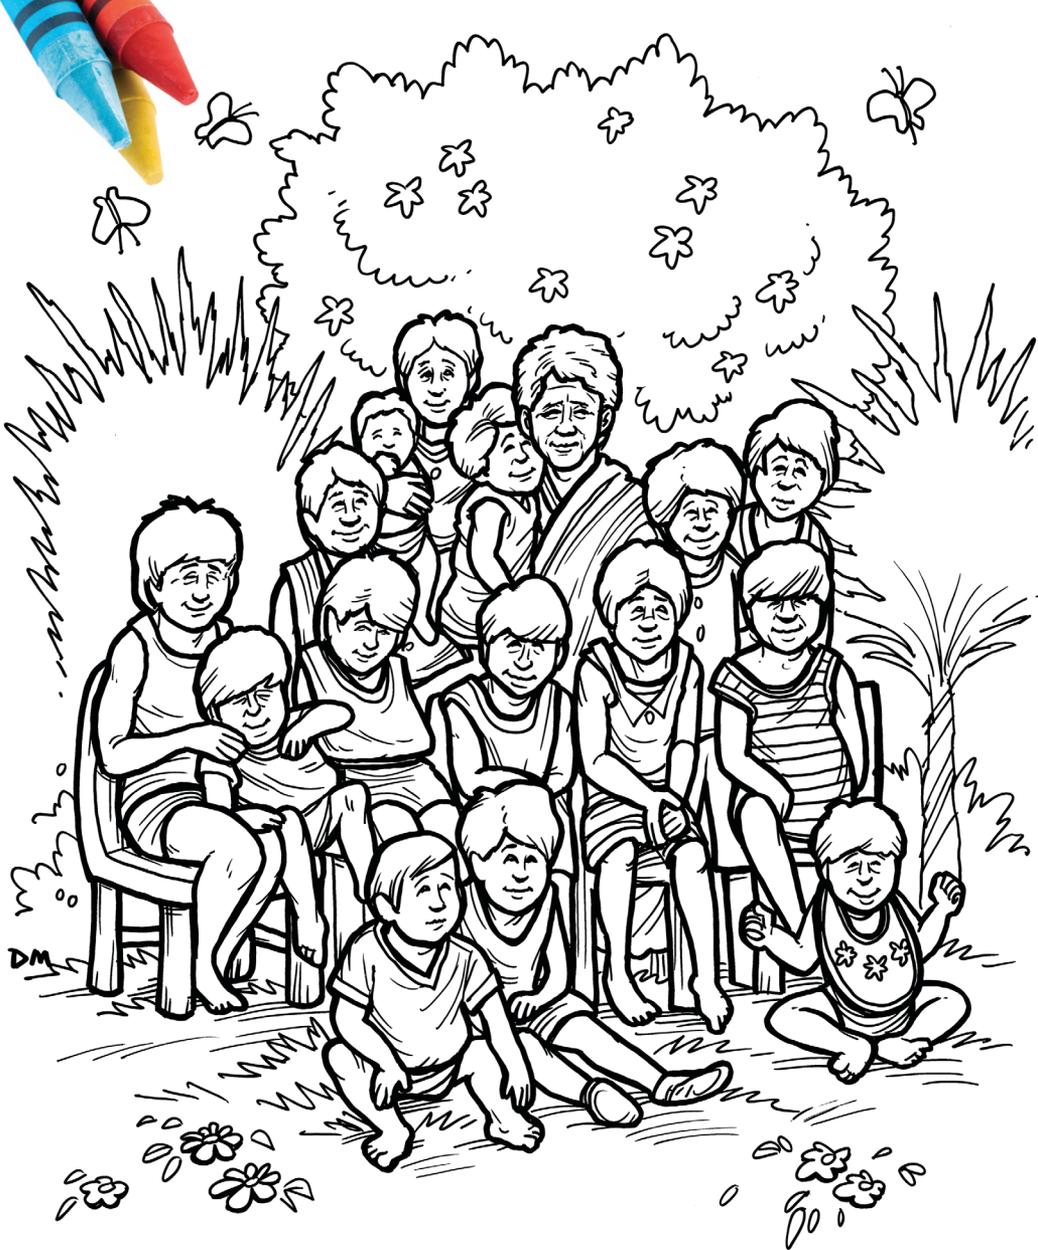

# Welcome to india

- We have the second largest number of people in the world living in our country!
- Approximately **62 million** Indian people live in **slums**.
- Our **cows** are allowed to wander freely through streets and cities because they are considered **sacred**!
- The **Bengal tiger** is our national animal.
- The majority of our people have more access to **phones** than **toilets**.
- **75%** of the Indian people live on less than **\$2** a day!

## MEMORY VERSE

**Carry each other's burdens, and in this way  
you will fulfill the law of Christ.**

**GALATIANS 6:2**

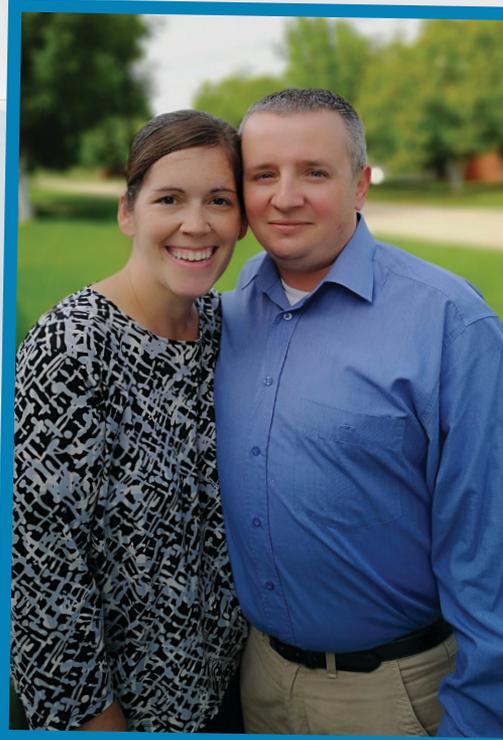

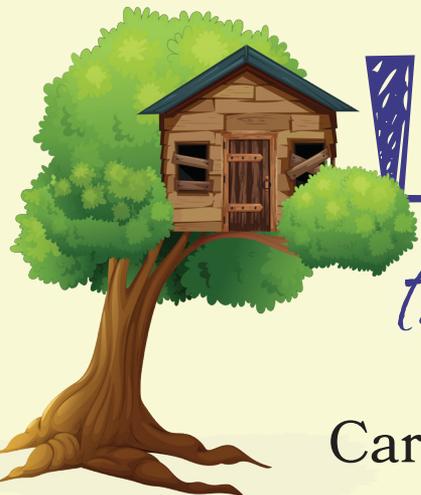

# Helping the **HURTING**

Like Amy Carmichael, **Sally Sebo** is a current missionary who also works with young people. She works in Talpos, Romania and helps oversee the “**House of Hope**”. Many children who live in this village are either orphans or come from extremely poor homes. The House of Hope is a place where they can find care, love, and most importantly, **the gospel!**

The children at the House of Hope get to do many **activities**. They can take instrument lessons, be a part of kid's club, sing in the church choir, do gardening and cleaning, get help with homework, and even take English lessons! Most of all, they learn about **Jesus** through daily Bible studies and kid's club. The love and care that Sally gives to these children makes them want to learn about the **God** she serves. Because of this, many Romanian children have come to know Jesus.

## Carry Someone's Burden

We have looked at two examples of women who helped “carry the burdens” of others. Jesus wants you to be a burden bearer for others as well! In what way can you reach out to those who are hurting? This week, lend a helping hand to someone in need. Then tell us about it by sending your story to [engagekids@feaministries.org](mailto:engagekids@feaministries.org).
