

Something New - How Will God Use You?

PRAYER POINTS

Thank you for praying for the needs of HIM Spanish Ministries. We look forward to sharing how God is answering your prayers!

1. Praise God for helping our Spanish works see tremendous growth since their beginnings in 1987. Due to the size and complexity of HIM Spanish Ministries, we realized it was no longer feasible for one man to lead both the US and foreign works. Beginning in 2019, the overseas component of Spanish Ministries became HIM Latin America. Eric and Hannah Kuhns assumed leadership of this region, and we anticipate expansion throughout Central and South America. John Dykes continues serving in a vital capacity as project manager for the many ongoing building projects. Sidney Grant who previously led Spanish Ministries has returned as director of HIM US Spanish Ministries. **Pray for God to work through these strategic changes so that the gospel impact will be multiplied among Hispanics!**
2. Each June, men and women from our Spanish Bible Institute in Hobe Sound, FL—along with individuals from our various other institute extensions—graduate at the completion of their course of studies. **Pray that God will use this year's graduates to continue expanding His kingdom throughout the Hispanic world.**
3. **Pray for the US Spanish Ministries pastoral retreat held this month in Thomasville, NC.**
4. There are several new Spanish church plants here in the US. **Pray for God to grow these congregations and encourage their pastors.**
