

*Something New*  
*How Will God Use You?*

# A WITNESS

Riots and violent outbursts were terrorizing the country of Guatemala. It was no longer safe for families to live in such a harmful place, and they began to flee their homes and find safety elsewhere. Many Guatemalans came to the United States. Down in the little South Florida village called Indiantown, hundreds of Guatemalan immigrants found shelter.

# on WHEELS

Mr. Glen Reiff heard of the immigrants who had come to live nearby, and he saw this as an opportunity to share the gospel. Rather than going to Indiantown and building a church, he began a mobile chapel, which was a special church on wheels! By using this mobile chapel, Mr. Reiff and his team traveled all around Indiantown, holding church services and witnessing to the immigrants.

# Get Ready, Get Set, and GO!

## Get Ready!

Spend time in God's Word. Talk with Him daily.

## Get Set!

Like Mr. Reiff, find a creative way to go out and share the gospel with those who do not know Jesus.

## And GO!

Find someone who has not heard of Christ's salvation, and tell him how he can be saved.

## MEMORY VERSE

Behold, I am doing a new thing; now it springs forth,  
do you not perceive it? I will make a way in  
the wilderness and rivers in the desert.

ISAIAH 43:19

# From *Desperation* to **Salvation**

Juan was a Guatemalan man who was alone and depressed. He fought his sadness by turning to alcohol, but drinking could not save him from his sorrows. Juan began to think there was no reason to keep living. He decided his only option was suicide. He made his way down to a nearby river and jumped in, allowing himself to sink to the bottom. However, two fishermen saw what was happening and rushed to his rescue! Juan was angry with them for saving him, but they refused to let him go until he promised to not jump back in the river.

Later that day, he went to the mobile chapel where Glen Reiff was preaching. Toward the end of the service, Mr. Reiff invited anyone who did not know Jesus to step forward. Juan was the very first person to step out! Together Mr. Reiff and Juan knelt down to pray, and Juan accepted Jesus Christ as his Savior. God transformed his life! Later, Juan became a pastor, leading others to know the Christ who had saved him.

*Do you  
know Jesus as your  
personal Savior? You  
can receive Him today!*

## Witness with Wheels

Mr. Reiff took a big semi-trailer and turned it into a portable church. He was a witness on wheels, but you can be one too. Here is how: ask a trusted adult to help you buy some gospel tracts. Keep these in the car. Whenever your parents take you to a drive-through restaurant, the store, the park, or anywhere, give one of the tracts to the new people you see. God will use you as a witness on wheels!
