

God at Work in Latin America

PRAYER POINTS

Thank you for praying for the needs of HIM Spanish Ministries. We look forward to sharing how God is answering your prayers!

1. There are currently four HIM churches in Honduras. While we praise God for helping these congregations make an impact in their communities, it is our desire to see many more churches established throughout the country. **Pray that God will open doors for a new church plant to be started soon in Honduras.**
2. Honduras desperately needs rain. The missionaries are currently only getting water every five days because the water reservoir is so low. Many of the farms and crops have been negatively affected, including the farm in Nicaragua. **Pray for God to send rain!**
3. The Kuhns and Cressmans are praying for three backslidden men—Luis, Paolo, and Efrain. **Pray that they will give their lives to God once again.**
4. For many years HIM has desired to pioneer new works in South America. There are so many opportunities but not enough laborers. **Pray that God will call missionaries to this needy continent.**
5. Pray for new converts in Las Delicias, Honduras; in Salamaji, Nicaragua; and in San Pedro Sula, Honduras. They are going through discipleship and preparing for baptism. **Pray that God will strengthen their spiritual lives.**
6. **Pray for Roberto, our pastor in Las Delicias, Honduras.** He is needing surgery done on his eyes.
7. **Pray for the Latin American youth retreat held in January.** May God raise up young people who are sold out to God and on fire to reach the world!
