SPANISH MINISTRIES

Making Disciples Among Hispanics

Hispanic culture is full of lively music, bright colors, and delicious foods. In most Latin American countries, the pace of daily life is slower, and friends and neighbors still sit outside and greet those who pass by. But behind the relaxed and warm demeanor are people in desperate need of hearing the gospel and giving their hearts to Christ. God is helping HIM make disciples among Hispanics both here in the United States and in Central America.

In this video series you will hear from various missionaries as they share how they are seeing the lives of Hispanics.
