PRAYER POINTS

Thank you for praying for the needs of HIM Spanish Ministries. We look forward to sharing how God is answering your prayers!

1. **Praise God for the birth of several new litters of piglets on the pig farm project in Honduras.** Pray that we can sell them quickly when they have grown sufficiently. Also ask God to continue blessing our various self-sustainment projects.
2. **Praise God for sending rain to Honduras!** The need was urgent as it had not rained sufficiently in months. **Continue to pray for the water tables to rise enough before we enter into the next dry season.**
3. The coronavirus pandemic has created a crisis situation in Honduras. Many families are struggling. There is no work and little food. **Pray especially for the family of Manuel, a key member of the Tiloarque church, who passed away recently. We urgently need God to protect the nationals and missionaries in Honduras!**
4. Throughout the COVID-19 lockdowns, our missionaries are holding services using WhatsApp. **Ask God to continue touching hearts and ministering to the people through this medium.**
5. **Pray for new missionaries Rick and Kandis Turner who are preparing to serve in Guatemala as project managers.** They are currently raising their needed funds so they can leave for the field in February 2021.
6. Leonidas is a man who was recently saved. He has struggled with alcohol and drugs. **Pray that God will establish him in the faith and deliver him from all sinful addictions.**
