

Tell Her the Missionaries Have Come!

PRAYER POINTS

Thank you for praying for the needs of HIM Caribbean. We look forward to sharing how God is answering your prayers!

1. It is amazing to see how Hope International Missions has grown since its humble beginning on the island of Grand Bahama. Today we have ministries and outreaches into more than twenty countries and a growing missionary team comprised of over thirty-five units. Praise God for His help throughout our sixty-year existence! **Pray for God to continue expanding HIM's impact around the globe!**
2. Our current team of missionaries for the Caribbean consists of Frank and Marilyn Vaughn, directors of our work in Haiti; Daryl Hobbs, working with orphans and Christian development in Haiti; and Marilyn Marchant, ministering in the Turks and Caicos Islands. **Pray for this dedicated missionary team, and ask God to expand the number of workers for this region.**
3. In 2019 Hurricane Dorian ripped through the Bahama Islands leaving a trail of utter devastation in its wake. In the immediate aftermath, God's people gave generously and enabled HIM to quickly mobilize supplies and funds to some of our hardest hit locations. A number of work teams successfully completed several major projects. However, the rebuilding process will continue for years. **Pray for the islanders who have suffered much loss as a result of this natural disaster.**
