

Bringing Hope in Times of Disaster

PRAYER POINTS

Thank you for praying for the needs of HIM Caribbean. We look forward to sharing how God is answering your prayers!

1. Hurricane season runs from the beginning of June to the end of November each year. **Thank the Lord this year no major storms have affected any of the areas where HIM has churches or works.**
2. Immediately after Hurricane Dorian brought such devastation to the Bahamas in 2019, the generosity of individuals, churches, and a foundation made it possible for HIM to provide tens of thousands of pounds of materials to meet immediate needs of people in the islands. That same generous giving also enabled us to take on several major tasks such as new roofs and building projects for people's homes. **Thank the Lord for each person who gave sacrificially to help meet the needs of the hurting.**
3. HIM was able to send four *Go! Impact* teams to the Bahamas to accomplish the building projects. *Go! Impact* teams are not exclusively for times of crisis. At other times we need a variety of skilled individuals who are willing to give of their time and expertise. Examples include medical professionals, educators, skilled craftsmen, etc. **Pray for God to speak to the right people to be a part of these teams as needed.**
4. The process of rebuilding and pulling lives back together again is ongoing in the Bahamas. It takes much time to regain a sense of normalcy after a major disaster. **Pray for God to be close to the thousands affected by the storm. Ask Him to spiritually transform lives during this time.**
