Nathanael Bundy

MISSIONARY TO TAIWAN

HOPE INTERNATIONAL MISSIONS | ASIA

Hello, my friends and supporters,

Happy New Year to you all, and God's blessings be upon you.

I am excited to announce to you that I have returned to the mission field. After deputation ended, there were a few hurdles in getting through the necessary visa paperwork. Through God's grace at the beginning of this new year I finally departed and flew to Kaohsiung, Taiwan, where I will continue the ministry of God's kingdom.

I am both eager and anxious to begin ministry back on the field. The challenges lying before us are massive. The threats of the enemy come in physical and spiritual forms. If it were our battle alone, we could do nothing. Throughout the Scriptures God reminds us that the battle belongs to Him—He only asks us to be faithful in our obedience and conduct.

Most of the ways I have ministered in the past will continue to be what I am involved in during this term. Preaching in churches, teaching Bible and English to adults and children, and continuing to learn the Chinese language will take a large amount of my time. Though there will also be more as we continue to expand for the sake of God's glory.

Throughout 2022 I was privileged to meet many people who have put their support behind me. Through pledges of prayers and finances God has shown me I will not be alone in the work to which He has called me. I pray now that you will continue to bring my name before the Lord and ask Him to make my ministry fruitful and to keep His Spirit upon me.

In Christ,

Nathanael Bundy
