MISSIONARY TO TAIWAN

HOPE INTERNATIONAL MISSIONS | ASIA

Dear brothers and sisters,

Greetings and God's blessings be upon you. Much time has passed since my last newsletter and most things have become routine. But while in routine it is important to be open and ready for God to bring people and situations into our space where we can be the witness of His light.

On most Sundays I am involved with activities at two churches. In the morning I teach Sunday school, telling kids stories from the Word. In the afternoon I operate as either a preacher, song leader, or pianist, depending on the needs of that Sunday.

Language learning takes a lot of time and mental energy. My Chinese teacher has told me that my writing of Chinese characters is very good. Listening and understanding can be much more difficult. I have built a good friendship with this teacher who is a Buddhist. A few weeks ago she invited me to see some of the temples, and I was able to introduce her to some of the people from our church here in Nanzi.

I would ask you to pray for me in this case as I seek for the right time to explain the gospel. The action of witnessing and evangelizing can vary and sometimes depends on the culture as well as the individual. In any case the lives we live will always be a deep testimony.

Language Study

Last month I had the privilege of hosting Bro. and Sis. Daryl Hausman and showing them different parts of Taiwan and the current ministry.

I have had other brief encounters with strangers who have come across my way. Communication is still limited, but I trust God to help me in those times to do what work is possible.

Thank you for your ongoing prayers for myself and for the work God does in Taiwan. May your lives be blessed tenfold as mine has.

Blessings to you,

Nathanael Bundy
