# Nathanael Bundy

MISSIONARY TO TAIWAN

HOPE INTERNATIONAL MISSIONS | ASIA

Hello, my friends,

Good day and may God's blessing be with you. Much time has passed since my last newsletter, and most of the time has been filled with small interactions and ongoing learning. Recently I have learned more about Chinese culture and the different people groups. This past week was the Dragon Boat Festival, one of the biggest holidays, and with it I was able to learn more of the history and present mindset.

The church here in Nanzi is still developing and being a part of the community. In April we had a baptismal service for a new believer. It was a wonderful time of seeing God work. A few weeks later we had an open time of music near the university and contacted students and others who passed by.

Our Bible studies have good attendance and great questions. Many students have a general knowledge about Jesus but have neither heard nor understood the stories of the Bible. As Christians we must desire to know God more and I am happy to help bring those stories and their meaning into the lives of the people here.

I feel there is a better fellowship here among these people. A bridge requires strong ropes to hold it together. Likewise, the bonds we build with one another takes time and effort. 1 John 1:3 says, "We proclaim to you what we have seen and heard, so that you also may have fellowship with us. And our fellowship is with the Father and with his Son, Jesus Christ" (NIV). I thank each of you for your support and prayers in my ministry here. I look forward to when I can see you in person again. May God bless you as you have blessed others.

In Christ,

*Nathanael Bundy*
