## Prayer and Praise

- **Praise** the Lord that we were able to sell our old pick-up and buy a new-to-us 4X4.
- Joanna Johnston from Allegheny Wesleyan College has joined us for a six-week internship. We **praise** God for dedicated young people like her who are willing to serve cross-culturally. Please **pray** that her time in Lesotho will be beneficial and that God will help and protect her.
- Kaitlyn finished her first in-person semester at Hobe Sound Bible College and is home with us. **Praise God!**
- **Pray** for Stephanie and her children's ministry team as they hold VBSs in six churches in June and July.
- **Praise** God for a successful Africa 85 trip to Cote D'Ivoire and Togo. Please **pray** for upcoming trips to Rwanda, Cameroon, and Zambia.
- Please join us in **praying** that God will provide the needed money to complete the second Eternal Foundations rental home.

## Highlights

We arrived back in Africa on the 12th of April. It has been a busy few months catching up and moving forward with ministry. Here are a few highlights.

At the beginning of May Glenn made a trip to Cote D'Ivoire (Ivory Coast) and Togo. Last year Africa 85 (africa85.org) went to Ghana to train pastors to use Shepherds Global Classroom (SGC). Two Ghanaian pastors who attended this training, Rev. John Adams Ankamah and Rev. Emmanuel Sarfo, realized their pastor friends in Togo and Cote D'Ivoire would

God answered so many prayers for us by providing a Toyota Land Cruiser double-cab pickup for mission use in Lesotho. These vehicles have a reputation in Africa

for being the strongest, most reliable 4X4 and will be key to HIM's

also benefit from using SGC, and they organized this trip. Glenn and these two pastors held seminars in Abidjan and Aptakama, and pastors from these cities are now starting Bible schools there. We were pleased that a pastor from Benin was also able to attend. He is working with a ministerial fellowship in his country to begin training pastors there.

ministry in rural parts of Lesotho. For those who like the details, it is a 2020 with a 4.2L normally-aspirated diesel engine. The vehicle is very old-school with no computer and easy to repair about anywhere in Africa.

This vehicle is replacing the 1996 Toyota Hilux that has served us so faithfully since 2003. With 320,000 hard miles on its odometer, it has passed its prime.

Nevertheless Glenn was a tiny bit sad to see it go. You can check our

blog (address on other side) to see this truck hard at work a few years ago.

We want to say a BIG thank you to everyone who has given towards this need! Know that your generosity will result in the gospel and the message of holiness going to hard-to-reach places for years to come.

We also want to praise God for how He clearly guided us through the whole process of finding and buying the new truck as well as selling the old one. We have seen His hand and providence in so many ways and are so grateful to Him!

Thank you so much to everyone who prayed and gave towards the purchase of the new vehicle!

This year Sister Itumeleng planned a Reach4Life training seminar for the church and is hoping to have another one later this year. Twenty-one young people came for the training and were inspired to reach other young people with the gospel. It is the winter school holidays here, so Stephanie is helping the children's workers at each church hold VBSs. They have reached more than 120 children at the first two places, and have four more planned before school starts again in August.

Kids have enjoyed the "Dress the Teacher" contest at the VBSs.

Joana has been a blessing!

## God Is Able!

We need \$15,000 to finish the second Eternal Foundations home. Rent from this house will help pastors in South Africa reach more people with the gospel. We are hoping to have this house ready to rent by early 2025. We would appreciate your prayers. If you are interested in giving, scan the QR code or mark donations "Eternal Foundations" and send them to the support address on the left.

Kaitlyn is studying education and cross-cultural ministry at Hobe Sound Bible College. The highlight of her first in-person semester was a mission trip to Arizona. They got to visit the Grand Canyon.

Kristell is finishing up her first year of high school and also did grade six violin this year. Recently she attended a Reach4Life youth discipleship training seminar and has been helping with the classes at church. She and her friend Limpho made a chocolate cake that we all really enjoyed!

Caleb is finished with fourth grade and did very well on his first grade guitar exam at the Ladybird Music Academy. He enjoyed a good snowball fight during a recent snow storm. (It is winter now in Lesotho.)

**Your prayers and financial support make our ministry in Africa possible. Thank you!**
