Memories of Many Wonderful Christmases in Russia

Dear Friends and Loved Ones,

Dreaming of a white Christmas? It is more than likely in Northwest Russia, where the Vyborg Christian Center stands by the seven-centuries old castle in the gateway city to Russia. We thought we would assemble a montage of memorable pictures from our winters in Russia over the last three decades. The ministries of the Christian Center are still continuing today under the new leadership of Vladimir and Irina Nasedkin.

Outside the Christian Center

A cozy country cottage

Visiting the orphanage

Inside the Christian Center

Christmas in the kindergarten

Christmas in the orphanage

Christmas in the pine forest

All for Jesus, Richard & Judy Grout
