Prayer and Praise

- **Praise** the Lord for a successful Africa 85 trip to Egypt! **Pray** this trip will result in effective ministers of the gospel in North Africa.
- Glenn will be making an exploratory trip to Rwanda in October. Please **pray** for wisdom and clear direction from God if HIM is to open a new field of ministry in this Central African country.
- **Praise** God that pastors in the Mayukwayukwa Refugee Camp have completed their SGC course of study! **Pray** for Glenn as he joins the graduation celebration. Also **pray** for an important meeting Glenn will attend while in Zambia.
- **Pray** for Stephanie and the children while Glenn is gone to Rwanda and Zambia!
- **Pray** for Matthew and Brooke Smith as they begin deputation. Please also **pray** for God's provision to renovate the house in which they will live.

June-October 2025

Winter Update

The winter months for us (June to August) are important for children's ministry. Primary school students have a long school break in the cold season, during which Stephanie and her team of children's ministers held seven VBSes in different villages where HIM has churches. They reached more than 650 children with the gospel.

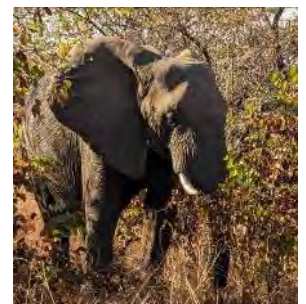

The TLC team helped with VBSes and painted tires for the new playground.

We were also privileged to host a TLC team (left) in July. They spent their evenings making Wordless Books to give out at the meetings. During the day they helped with a variety of ministries, including VBSes and renovating the playground at a village preschool. This team was a big encouragement to us!

In August we were able to take a few days away from ministry for a family vacation. The highlight was visiting Philip and Amrie Geise and their family (left), where they minister in South Africa. We also visited the Kruger National Park (right) and Eswatini (formerly Swaziland).

HIM's eleven churches in Lesotho and South Africa are divided into circuits with a senior pastor over each circuit. Less experienced pastors and lay leaders help the senior pastors fill pulpits each Sunday. I normally help Rev. Kali Nthabi with his circuit of five churches. Recently the pastors agreed to mix things up a bit in September and visit churches at which they seldom or never preach. As part of this program, I visited HIM's newest church plant at Ha Hlalele. Brother Mpheteng, the lay pastor (right) who lives next to the church, shared an encouraging testimony of how God is helping him provide for his family through a variety of odd jobs, while still being available for ministry whenever needed. Besides caring for his own family, he is helping some relatives who are orphaned.

We say a big thank you for your prayers and support that made it possible for both Glenn and Stephanie to join Africa 85 and Shepherds Global Classroom in Egypt to introduce church leaders to SGC (left and right). We were so encouraged by the missionary vision of the Egyptian church, and we are excited about possible future opportunities to help train pastors in other North African countries!

A Trip to Rwanda and Zambia

Through a painful but providential series of events, Rev. Allegri (right), Africa 85's coordinator in Zambia, was relocated back to his home country of Rwanda early this year. He is very disappointed to find his native country becoming increasingly secular and godless. He also is recognizing a deep hunger for truth and revival. At his request Glenn is going there the first week of October to explore the possibilities of starting a ministry. The Rwanda government has closed thousands of churches in the last few years because they do not meet government standards. It may be easier for an overseas mission organization like HIM to start a church than for locals to start it. Glenn and Pastor Allegri

Glenn and Allegri

will also meet with a pastor from Burundi who wants to start using Shepherds Global Classroom to train evangelists in his country.

The team of teachers that Allegri trained in the Mayukwayukwa Refugee Camp are continuing to train ministers under the capable leadership of Rev. Angel Chipulu. On the eleventh of October the first cohort of eighteen students will graduate and receive their certificates from Columbia International University. From Rwanda Glenn will fly to Zambia to attend this big event. We celebrate these pastors' hard work. But

Rev. & Mrs. Angel Chipulu

more than just a graduation, we are thrilled about the spiritual fruit and revival that has happened as they studied God's Word through Shepherds Global Classroom.

Please pray much for this trip!

New Missionaries!

Matthew and Brooke Smith are beginning deputation and preparing to come to Lesotho in June next year. They will be involved in a variety of ministries, including youth discipleship, tutoring, and Africa 85. They need your help!

- (1) Begin praying for them now!
- (2) Find out more about their plans or invite them to your church for a service. You can contact them at matthewsmith@feaministries.org.

- (3) Support them financially. Matthew and Brooke will be living in the mission house where we lived for twenty-four years. It needs renovated before they arrive. Can you help us raise \$8000 for this? See the included flyer for details.
