

CRESSMANS

SERVING IN BARCELONA, SPAIN

Wesley, Janna, Ella, and Carter

Spring 2026

Greetings from Spain

How time flies! It is hard to believe we have been back in Spain for a little over six months since returning from our home assignment. It has been a whirlwind of re-adjusting, hosting visitors from the States, and working with interns.

Spring has fully arrived here, bringing days of warmth with occasional rain. We look back at the time since our last newsletter with grateful hearts for the goodness of God. He has been faithful and good. What a privilege to serve Him!

Your faithful prayers and generous giving have been such a blessing to our work. Because of your support, we can move forward with what we feel God has asked us to do. We are thankful for your partnership with us and ultimately with the kingdom.

Ministry Snapshots

Homeless - Wesley has been asked to assist with the homeless outreach three times a week. The homeless are given hot coffee and breakfast. The director has asked to him come often so he can also be a steady Christian testimony to some of the volunteers who are not believers.

Every Thursday the outreach moves beyond physical nourishment to spiritual feeding to those who are interested. Wesley has taken this a step further and invited some to come to church on Sundays. In return they will receive breakfast and lunch from us. This past Sunday one man took him up on the offer. I hope he enjoyed his special food.

English Class - Each week Janna is privileged to teach English grammar and vocabulary. She loves using her teaching degree in such a practical way. After the language portion of the class, the students are taught about Jesus. What a powerful way to share the gospel. The director told Janna that they cannot get children to attend Good News Clubs, but they will attend English Class. Two boys recently asked for Bibles. Please pray that the gospel penetrates their hearts.

During a recent class, Janna had a beautiful opportunity to sit with a little girl who was having a rough day. Janna was able to share directly with her that Jesus cares for her personally. The Bible teacher for that day later emphasized exactly what Janna had shared with the little girl. Later Janna was able to share about Jesus with the mother. God works in amazing ways, and He is always good.

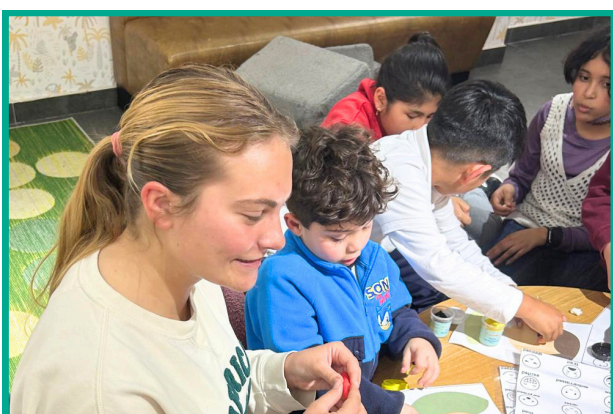

Friday After School Ministry - Since the days are growing warmer, our Friday night ministry has moved outdoors to the local park. It has been a wonderful way to enjoy the nice weather while sharing the love of Jesus. Some of our ministry partners sent candy and special items with one of our interns. The children really enjoyed these things! I think their favorite candy was Jolly Ranchers--even the moms liked them.

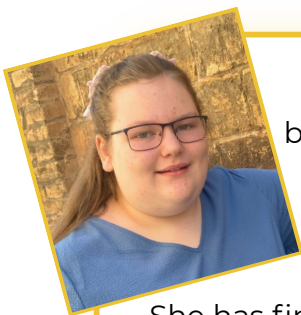

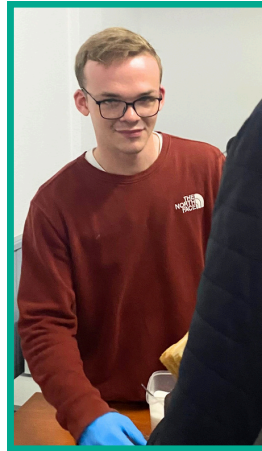

Interns

This spring we were blessed by two interns from our Bible colleges. We hosted Faith Cook from GBSC and Kyle Mason from PVBI.

Whether they were assisting at the homeless outreach or engaging with the youth, their sincerity in sharing the love of Jesus was evident. We are so grateful for the way they participated wholeheartedly and were a wonderful example to the youth in Spain.

Ella just had her thirteenth birthday at the end of April and is developing into a mature young lady who wants to serve Jesus.

She has finished her school year and plans to do a lot of reading this summer. So far this year she has read 43 books. Her goal is to read more than 100 books this year.

Ella reading Scripture

Carter taking up children's offering

Carter turned 8 at the end of March. He is developing into a strong boy, who has a sense of humor and loves to give gifts to others.

Carter is also finished with school for the year and is looking forward to having the summer off. He will be building with Legos and walking.

In Him,

Wesley, Janna, Ella, and Carter Cressman
