RUSSIAN LIFELINE NO. 273, SUMMER 2026

Dear Friends and Loved Ones,

Grace and peace be multiplied to you all!

This has been an exciting summer in Russia, as the country has been under bombardment much more frequently from the war with Ukraine. In spite of the hardships they are enduring, the ministries of the Christian Center are continuing.

All these photos were taken this summer in the city of Vyborg and its surroundings. The harbor on the right reaches into the city center. The beautiful roses are blooming in the gardens. The Bible study group meets in the Christian Center.

Pastor Valera recently spoke at a big tent meeting in a city very close to the war zone. It was attended by at least a thousand people.

We deeply appreciate your prayers and continued support. A donation to help with the renovation of the aging exterior of the wooden Christian Center building recently made its way to Vyborg. The Nasedkin family, who live in the center, are carrying on several evangelistic outreaches.

Pastor Valera is officially the pastor of the largest evangelical church in Vyborg. Vladimir Nasedkin is an evangelist also located there. One of the leading lay leaders in the church is former Major Sergei Vishniakov, whose story is featured in HIM's book, *Faithful and True: Volume 2*.

We are blessed to report that the ministries in Russia are faithfully moving forward, even in these troubled times.

All for Jesus,

Richard & Judy Grout

After ten years of waiting, the renovation project for the exterior of our Vyborg Christian Center is finally underway. We praise the Lord!
